## VUE Software at the ACORD LOMA 2010 Insurance Systems Forum

**Coconut Creek, Florida, 5/24/2010** — VUE Software® today announced their participation in the ACORD LOMA 2010 Insurance Systems Forum to be held at Mandalay Bay Resort, Las Vegas from May 24-26. VUE Software plans to showcase the extraordinary results achieved by the insurance agencies and carriers utilizing cutting-edge VUE Software solutions.

VUE Software customer Insphere Insurance Solutions is presenting an ACORD session titled Customer Relationship Management for Distribution Success: Support Agents Throughout the Sales Cycle to Better Meet Client Needs on Tuesday May 26th at 3:00 PM.

“The story of our client Insphere Insurance Solutions underscores the vision behind VUE Compensation Management as a powerful and flexible platform to meet the distribution needs of all insurance business models and verticals,” said Stephen Bruno, President and CEO of VUE Software. “We are excited to continue to underscore the value proposition with our Microsoft Dynamics CRM integration through our VUE IncentivePoint product. Our solutions enable insurance carriers and agencies to better support agents, giving them the insight they need to be productive and make smarter sales.”

VUE Compensation Management, VUE Incentive Point and Microsoft Dynamics CRM are available both in on-premise and on-demand, Software-as-a-Service offerings to give insurers even greater flexibility and lower cost of ownership.

“In the face of tough competition, insurance companies must provide better customer service while driving operational costs down,” said Bill Hartnett, General Manager, U.S. Insurance Solutions Microsoft Corp. “Insurers deploying VUE Software distribution management solutions built on Microsoft Dynamics CRM achieve full sales pipeline insight, improved customer service and attract and retain profitable clients.”

### About CSSI and VUE Software®

VUE Software® is the product division of Computer Solutions and Software International (CSSI) dedicated to providing industry-specific business technology solutions to companies in the insurance, healthcare, and construction verticals. Because they are tailored to the needs of these particular industries, our solutions are different from one-size-fits-all performance management and compensation suites such as enterprise incentive management (EIM) and sales performance management (SPM) solutions. VUE Software’s solutions allow companies to manage strategic incentive plans, automate producer administration and organize complex data and contractor policies, resulting in greater administrative efficiency and improved sales performance.
